

# Savantage Executive Lunch Series

The Savantage Executive Lunch Series features government and industry leaders in financial management. Tap into their valuable experience as they share ideas and insights acquired from years in the field.

Each event features a speaker who is a highly accomplished and renowned federal government leader or senior executive. Past speakers include Gwendolyn Sykes, CFO, NASA; A. Thomas Park, Deputy CFO, U.S. Department of Transportation; and Colonel Dave Weinberg, Comptroller, U.S. Air Force HQ Air Education and Training Command.

The goal of this Series is to encourage the cross-fertilization of ideas and active collaboration between public and private sector managers facing business process challenges. These events are an opportunity to learn from each other's valuable insights on how to overcome obstacles to accomplishing your financial management objectives.

Federal financial management leaders confront many challenges. New management initiatives regularly arise from OMB or Congress. Compliance with financial management reform initiatives, such as the Federal Financial Management Improvement Act (FFMIA), the Chief Financial Officer (CFO) Act, and the President's Management Agenda is a continuing challenge for federal executives. The Balanced Scorecard is on every federal CFO's agenda. In today's post-9/11 environment, sensitive financial data must be secured and protected and close cooperation between the CIO and the IT department must be established and maintained. The Savantage Executive Lunch Series provides useful insights from leaders in the field and valuable networking opportunities to help you face these challenges head-on.

Each Executive Lunch Series event features one speaker who addresses a relevant business topic on which he or she has direct experience. A lunch is served and the entire event lasts approximately two hours. Attendees have ample opportunities to ask questions and share their insights during the session. All events are held at the City Club of Washington on 13th Street, NW in downtown Washington, D.C.
